Mission

The Cancer Support Community uplifts and strengthens people impacted by cancer by providing support, fostering compassionate communities, and breaking down barriers to care.

Through participation in our professionally-led support groups, workshops and healthy lifestyle activities, people of all ages affected by any type of cancer learn ways to regain control, reduce stress and isolation, and restore a sense of hope for a better quality of life.

Ways to show support:

- Make a financial contribution
- Attend or sponsor a fundraising event
- Write us in for your United Way giving
- Donate an item or service in-kind
- Include us as a planned gift beneficiary
- Volunteer in the office or on a committee
- Plan a fundraiser at work or school

Programs are made possible through contributions from individuals, corporations, foundations, and proceeds from special events. All the funds raised are used locally in our region, serving the Pennsylvania counties of Berks, Northampton, Lehigh, Carbon, Monroe, and Warren, New Jersey.
